### Grand View Smelter VCUP Application

Dear Bob:

Enclosed are copies of four reports, listed below, that provide additional detailed information in support of our recent VCUP application for the Grand View Smelter site in Rico, Colorado. This latest VCUP application contains a synthesis of all our Rico Community soils information.

The accompanying reports are:

1. *Rico Lead (Pb) Micromineralogy Study, Rico, Colorado* (Geometa, 1996)
2. *Summary of Townsite Soils Data, Rico, Colorado* (PTI, 1995)
3. *Geological Mapping and Geochemical Sampling, Rico, Colorado* (Russ, 1996)
4. *Phase I and Phase II Environmental Site Assessment, Rico, Colorado* (Walsh, 1995)

We hope you find these reports helpful and we would welcome the opportunity to meet and discuss them in more detail at your convenience.

Respectfully,

Travis Hudson
